

GLOBAL WIND DAY CELEBRATION 2021

Global Wind Day is a worldwide event that is supported by Global Wind Energy Council (GWEC) jointly with the European Wind Energy Association (EWEA) on June 15 every year. It is a day for discovering wind, its power and the possibilities it holds to change our world. In more than 100 countries around the world, wind farms are in operation, generating energy from a clean and renewable source. Thousands of individuals are involved in the production of energy from wind, but for many people, wind energy is a mystery. The day started as a European one in 2007 and went Global in 2009. On 15 June, hundreds of public events are organized all over the world, to create awareness on Wind Power.

NIWE, being the technical focal point for the development of wind energy in the country with the responsibility of creating awareness about the wind, its power and the possibilities it holds to change the world, the Global Wind Day has been celebrated since 2009 with various events on 15th June of every year.

Similarly, as part of 'Global Wind Day 2021' celebration, Drawing and Quiz Competitions on different topics was organized by Parshanya Power Solutions, Madurai with the support of National Institute of Wind Energy (NIWE), Chennai for school students. The following live events were conducted through "GOOGLE MEET" platform under the following Categories :
